

100 years of business

In 2010 the Chamber will reach their 100th year and will be celebrating the milestone in a variety of ways.

One of them is a special Historical Pictorial that the Optimist is producing in conjunction with the Chamber. It will chronicle the events and people of the past 100 years. This edition will include photos from years gone by and comments from some of the people prominent in the growth and development of the Chamber.

This special, booklet sized publication, 10,000 copies, will be printed on glossy stock in full process colour. It will be available at a variety of locations throughout the year including displays at the Family Day Festival in North Delta, May Days in Ladner and the Sun Festival in Tsawwassen. This special edition will be delivered to each business in Delta as well as be available in high traffic areas.

This is a great way to not only support your Chamber's successes over the years but to get your message out in a new, exciting commemorative
