

## **Complete E-mail & Event Marketing Services for Small Business & Organizations**

**A new offer through the Chambers of Commerce, Constant Contact is a great way to provide more services to your clients, while generating more revenue for you.**

**Email Marketing** - use attractive, professional-looking email communications to stay in regular touch and build strong customer relationships.

**Event Marketing** - online registration and promotion streamlines your day with automated payment collection and email communications.

**Online Surveys** - find out what interests your prospects, what your customers really want, and get the intelligence you need to run your business smarter and more successfully.

**Social Media** - use the reach of social media to increase the visibility of your small business. Make your business or organization 'go social' to grab the attention of a broad audience, and watch those new fans become loyal customers.

Receive a 20% discount when you sign up for 6 months, or a 25% discount when you sign up for 1 year.
