Mayor George Harvie
City of Delta – 4500 Clarence Taylor Crescent

Re: GEORGE MASSEY CROSSING

Dear Mayor Harvie:

On behalf of the members of the Delta Chamber of Commerce, I would like to congratulate you and thank you for your leadership on brokering an agreement with the regional mayors to replace the George Massey Tunnel.

While the process and the ultimate solution has been an issue and the subject of many debates, the Delta Chamber and our members have been more concerned about the lack of certainty and timeline for this project to be completed. With your actions and leadership to get the regional Mayor's decision back to the province, we have the certainty that it is now the provincial government's responsibility to take action and deliver a solution to replace this critical piece of infrastructure for Delta and all British Columbians.

Sincerely,

Yvonne Anderson
